Dear Friends,

I am pleased to invite you to participate in Little Rock Scripture Study, a program of prayerful study of the Bible that will begin in our parish on date.

There are many reasons to study the Bible:

- The Scriptures are at the heart of our Catholic faith, and every effort to know the Bible is an effort to understand our faith.
- As the word of God, the Bible has the potential to deepen our relationships with God and to transform our lives.
- Studying and reflecting on the word of God is the best means of forming people into disciples and into true communities of faith.

Right here in our parish we are offering a valuable experience of studying the Bible with fellow Catholics, using the best scholarship our tradition has to offer, in a way that is clear and effective.

This program of study will appeal to those who have never studied the Bible previously, as well as those who have been reading the Bible for quite a while. You do not need to worry if you lack understanding or experience. We will all be learning together and supporting one another in this rewarding adventure.

I encourage you to become part of this outstanding program that will enrich your life and the life of our parish.

Yours in Christ,
